Request for Grant Applications

AmeriCorps State Competitive Grant Federal Fiscal Year 2016

State Solicitation Number: 15-1300

Release Date:	September 10, 2015
Application Due Date:	November 2, 2015

Important Notice to Applicants: This Request for Grant Applications (RFGA) is significantly abridged compared to previous RFGAs. In past years, Serve Washington, the State Commission, has spent a considerable amount of time reformatting the Corporation for National and Community Service Notice of Funding Opportunity (NOFO) so that it was tailored to the subgrantee level. This year, Serve Washington is not making any changes to the NOFO and is relying upon applicants to carefully read the NOFO and understand which parts of the NOFO apply to subgrantees and which parts apply to State Commissions.

The dates which applicants are to abide by are the dates that are included in this RFGA.

OVERVIEW

State Entity:	Serve Washington
Federal Agency:	Corporation for National and Community Service
Federal Funding Opportunity:	AmeriCorps State Grants FY2016
Announcement Type:	Request for Grant Applications
CFDA Number:	94.006

Serve Washington is pleased to announce the *2016 AmeriCorps State Competitive* Request for Grant Applications (RFGA) to meet state and local challenges through service and volunteer action.

Serve Washington

In February 1994, the Governor established the independent, bipartisan Washington Commission for National and Community Service (WCNCS). On July 1, 2014, Governor Jay Inslee signed Executive Order #14-06 changing the name of WCNCS to Serve Washington. Serve Washington is made up of Commissioners appointed by the Governor who serve three-year terms. The Commission implements AmeriCorps programs in Washington; sets priorities for results-oriented community service programs; provides training and technical assistance; evaluates programs; and leverages federal program dollars with additional local, state and private sector resources.

Corporation for National and Community Service

The mission of the Corporation for National and Community Service (CNCS) is to improve lives, strengthen communities, and foster civic participation through service and volunteering. CNCS—through AmeriCorps, Senior Corps, the Social Innovation Fund, and the Volunteer Generation Fund—has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

Through all its programs, CNCS seeks to expand economic opportunity – helping Americans acquire the skills, education, and training they need for productive employment. By helping more Americans graduate, pursue higher education, and find work, national service can provide immediate and long term benefits by expanding individual opportunity, building family stability, and creating more sustainable, resilient communities.

Purpose of AmeriCorps Funding

AmeriCorps grants are awarded to eligible organizations proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust to pay for higher education expenses or apply to qualified student loans.

APPLICATION INSTRUCTIONS

General Information

Applicants are required to complete applications for funding in accordance with the [FY2016 AmeriCorps State Notice of Funding Opportunity](#) (NOFO), the [NOFO Glossary](#), and the [Application Instructions](#). These and other resources are also located at the Corporation's [website](#) and at the Serve Washington [website](#).

Note: Please keep in mind the dates referenced in these materials are for National Directs (programs operating in multiple states) and State Commissions. At no time during the State Competitive competition should an applicant contact CNCS.

Application Deadline

All application materials must be completed and submitted in eGrants by 12:00pm (PST) on **November 2, 2015**. Additionally, all required supplemental documents must be submitted to servewa@ofm.wa.gov by the same deadline.

Note: DO NOT send supplemental documents directly to the CNCS inbox referenced in the NOFO; the inbox in the NOFO is for State Commission use only.

Requirement for Minimum Number of Member Service Years

One Member Service Year (MSY) is equivalent to one 1700 hour full-time AmeriCorps position. The purpose of this RFGA is to solicit grant applications from programs that will be most likely to succeed in the national competition for federal funding from the Corporation for National and Community Service. As such, **to be considered for funding, Serve Washington requires that grant applications be a minimum of 20 MSYs**. In addition, the general practice is to award no more than 50 MSYs to new applicants.

If your organization is interested in hosting less than 20 MSYs, for example an independent placement AmeriCorps member or a small AmeriCorps team, you may wish to contact an AmeriCorps program in your area or a statewide intermediary to determine if a partnership may be feasible. Refer to the [AmeriCorps Program Directory](#) for a listing of programs in your county. If your organization is looking for AmeriCorps VISTA opportunities, please refer to the [CNCS VISTA](#) website.

APPLICATION REVIEW PROCESS

Grant Review Committee

Applications will be reviewed by a subcommittee of the Serve Washington Commission during November 5-19, 2015. This subcommittee, known as the Grant Review Committee (GRC), is comprised of Commissioners from Serve Washington who have volunteered to be a part of the process. The GRC members are required to each sign forms certifying (1) that they have no real or perceived conflicts of interest, and (2) that they will not disclose any confidential information about the programs until after the grant review process is completed. The GRC will meet November 20, 2015, to develop recommendations to present for consideration to the full Serve Washington Commission on December 10-11, 2015.

Assessment Criteria

The GRC will assess each of the applicants based solely on how well the applicant answers the questions that are required as part of the application and follows the directions included in the NOFO and Application Instructions.

In previous years' RFGAs, the process has included a step in which applicants were asked to provide a presentation to the GRC to inform the GRC's assessment of the applicant. This year's process does not include an interview or presentation prior to the GRC making their recommendation to the Serve Washington Commission. **Instead, applicants must be available by phone on November 20, 2015 to remotely answer any questions the GRC may have.** Contact information will be collected sometime during the GRC application review period. Serve Washington does not expect all applicants will receive an inquiry via phone. Receipt of (or no receipt of) a phone inquiry does not indicate award status. It is, therefore, highly incumbent upon applicants to submit quality applications that conform to the requirements set forth in the NOFO and Application Instructions in order to be competitive.

Serve Washington Staff Review and Clarification Period

While the GRC is reviewing applications, Serve Washington staff will also be conducting a technical review of applications. After the Commission has made a decision on the GRC's recommendation, Serve Washington staff will notify applicants. Once applicants are notified in mid-December, staff will then begin working closely with applicants to finalize their applications based on the technical review.

QUESTIONS

Please submit questions about this funding opportunity to servewa@ofm.wa.gov. Questions and responses will be included in a list of Frequently Asked Questions (FAQs) that will be periodically updated on the Serve Washington [webpage](#). Serve Washington is committed to a fair and open competition for this funding opportunity, and, as such, staff will not be able to answer questions about the funding opportunity unless the questions are asked through the servewa@ofm.wa.gov email address or through the technical assistance call.
